

# Challenge Activities

## Predator vs. Prey

Select one of the predator-prey relationships below and describe, or draw a diagram to show:

- How the predator "attacks" its prey
- How the prey avoids being attacked

Predator			Prey	
Shark		➔	Fish	
Lionfish		➔	Crab	
Box Jellyfish		➔	Prawn	
Cone Snail		➔	Fish	
a) Predator attacking prey			b) Prey avoiding an attack
